

Milipol Paris

17/11/2015 - 20/11/2015

Paris - França

In the 2013 edition, 7 Brazilian companies participated in the grand event that have been gathering the latest technology in the domestic defense area, such as civil defense, police, and anti-terrorism measures. The Brazilian participation helps the ABIMDE affiliates to discover markets, prospect clients and present products to international buyers.
