

Parte Feira Contemporary Art Fair 2015

04/11/2015 - 08/11/2015

São Paulo - Brasil

The Parte Feira Contemporary Art Fair is an alternative to meet São Paulo's market. Aimed at younger galleries and at the sale of more affordable art works, Parte was created in 2011 and has recently started to show galleries from outside Brazil. The event has been recognized as a platform responsible for the launch of galleries in the market and by the formation of a new buying public.
