

Fair Cosmoprof Bologna 2016

18/03/2016 - 21/03/2016

Bologno - Itália

Cosmoprof Bologna is an event that gives visibility to the exhibitors and has nearly 2,500 exhibitors from 70 countries. Although Italy is not a target-market of the project, this event can bring business with other countries. In 2016, the Brazilian Pavilion will be made, considering the distribution of small pavilions according to the division of the event by type of product.
