

Pollutec Brasil

12/07/2016 - 14/07/2016

São Paulo - Brasil

It is a trade visit to POLLUTEC fair, the international fair aimed at the Environment and Clean Technologies segment. Created 40 years ago in France, the fair has also already had versions in Morocco and Algeria. The CIN Network aims at organizing an International Business Meeting inside the event, which will count on an Industry System (CNI, SENAI, SESI ad IEL) stand to work the four pillars of industry.
