

ESPACIO FOOD & SERVICE 2016

27/09/2016 - 29/09/2016

Santiago - Chile

An international food industry trade show that provides a meeting place and business environment for companies, suppliers, government agencies and professionals. An important Chilean food industry trade show that stands out as a reference for Latin America. It brings people together to discuss the industry's developments and innovations in both products and services.
