

FEIRA BEAUTYWORLD MIDDLE EAST 2017

14/05/2017 - 16/05/2017

Dubai - Emirados Árabes Unidos

The Beautycare Brazil project has been participating in this show since 2003, generating significant increases in exports to the Middle East and North Africa. Because of its geographic and cultural influence, the UAE serves as a gateway for expansion into other markets in the region. Beautyworld Middle East is the beauty product trade show with the highest number of Brazilian exhibitors involved in the Beautycare Brazil project.
