

FCE 2017 - AMÉRICA LATINA

23/05/2017 - 25/05/2017

São Paulo - SP

This buyer project takes place during FCE PHARMA 2017 and involves networking sessions with Brazilian companies in the pharmaceutical industry and a select group of international partners. Five international guests — laboratories, importers and distributors — and 20 Brazilian companies are expected to participate in the action. The schedule will include meetings at the event and technical visits to Brazilian companies.
