

Trade Visit to the Embala Nordeste Fair

04/07/2015 - 08/07/2015

Recife - PE

Commercial visit to the Embala Nordeste Fair. It is a technical fair targeted towards users of packaging and processes from the North and Northeast. The event brings together the entire production chain, from packaging, raw materials to recycling, through processes of elaboration, identification and labels, among others. In this area you can find qualified professionals from all over Brazil and other countries to generate business and exchange experiences in a professional and complete event.
