

Prospection Mission for the Construction Industry at the Batimat Fair 2015

02/11/2015 - 06/11/2015

Paris - França

Batimat is the largest exhibition of construction equipment, materials and industry services. Held every two years. The fair is divided into seven sectors: structure, carpentry, finishing and decoration, material and tools, durability of buildings, IT and business services. The event, known as the International Construction Trade Show, is a major meeting point for the international construction industry, where more than 2,500 exhibitors present their products.
