

First Buyers Project | Seventh Buyers Project São Paulo - 2015

03/08/2015 - 06/08/2015

São Paulo - Brasil

The Buyers Project to be held in the SINDIPEÇAS facilities. We take the opportunity to raise awareness among the buyers invited, about the relevance and importance of the auto industry and our sector project in the search for new suppliers for the invited countries. We will contact similar entities of the target countries for support in identifying potential buyers and an indication of participating companies and identification of potential buyers registered in our mailing list.

I WANT TO PARTICIPATE
