

# Brazilian Sustainable Solutions

27/08/2015 - 27/08/2015

Rio de Janeiro - Brasil

Business roundtable to be held within the International Conference Sustainable Brands Rio, with the aim of bringing together North American and European buyers with Brazilian companies whose products/services have differentiating attributes of innovation and sustainability. The main categories of products to be traded during the event are organic and natural foods, cosmetics and organic and natural ingredients.
