

FMA China 2015

14/06/2016 - 16/06/2016

Shanghai - China

FMA China is a fair focused on meat and aquatic products organized by an important institution in exports relation between China and other countries, the China Entry & Exit Inspection and Quarantine Association. Apex-Brazil's support in the companies' participation in international fairs aims at disseminating and selling Brazilian products and services. The exhibitors have the opportunity to meet with buyers, opinion leaders, and specialized international public.

I WANT TO PARTICIPATE
