

Relationship Trips

25/08/2015 - 30/08/2015

Santiago - Chile

The action aims at developing relationship, gaining knowledge and suggestion for the project development. Main fronts: Meetings with partners (effective and potential); Relationship with exporters for involvement and guidance; Attraction of new participants; Recognition and update on markets to develop the project (Apex Brazil's B.I. analysis, Consultation with exporters to survey needs/opportunities and visit to markets); among other services.

I WANT TO PARTICIPATE
