

Odeón, Contemporary Art Fair 2015

01/10/2015 - 05/10/2015

Bogotá - Colômbia

Fair simultaneous with artBO (International Art Fair of Bogota), Odeón – Contemporary Art Fair occupies a curious closed theater in the historical center of the city and presents more than 20 galleries. Initiating in 2011, the contemporary art fair is devoted to being a platform for new galleries, many of them debuting in the art market. The participating galleries are from Latin America. The history of Brazilian participation is recent, however, it is promising.
