

Frieze Art Fair London 2015

14/10/2015 - 17/10/2015

Londres - Inglaterra

Main contemporary art fair in United Kingdom, the Frieze Art Fair London is among the most highly reputable fairs of the world. The London version exists since the early 2000s and has brought the promise of only showing art produced in this century. To fill in the gap of the earlier production, the Frieze Masters was created in 2012. Brazilian galleries have been present in both fairs that provide contact with a very qualified public and of a very plural origin.
