

International Animation Film Market (Annecy/MIFA) 2015

15/06/2015 - 20/06/2015

Annecy - França

The Annecy Festival is the main international award of the animation sector. The action consists of the preparation of companies for presence in the market concomitantly with the festival. BTVP offers support for participation, with the stand and credentialing support, as well as the creation of initiatives for business opportunities and visibility.
