

Bio International Convention 2015

15/06/2015 - 18/06/2015

Philadelphia - Estados Unidos

BIO International Convention is the largest and most prestigious biotechnology event of the world, attracting leaders of the industry from more than 66 countries. It is a business platform that provides a meeting with potential business partners, searches for new contacts, updates on the main sector trades and network broadening in one of the main industries of the world.
