

# Road Show México

19/10/2015 - 23/10/2015

Cidade do México - México

The event is held after an elaborated process of gathering of information in the target country and matchmaking between important manufacturers and distributors, and Brazilian enrolled companies. During the event, meeting between the project's companies are held in the facilities of this potential partner. Individual business meetings between participating companies are also held, making it necessary a car lease with driver for displacements around the city where the event will take place during

I WANT TO PARTICIPATE
