

Prospection Mission – Cuba 2015 – Vertical Services

27/09/2015 - 03/10/2015

Havana - Cuba

Visits to distributors, food and cosmetics plants, etc., and to corporative clients with the goal of: developing Brazilian companies' images; evaluate the level of international competition; test and evaluate the acceptance of our products; research the market; attract market agents (for example, commercial representatives); arouse the interest of possible clients and investors; develop strategic alliances; etc.

I WANT TO PARTICIPATE
