

# Buyer Project Febrava 2015

22/09/2015 - 25/09/2015

São Paulo - SP

The Buyer Project FEBRAVA has been held by the Program since 2005. The event has as goals to perform business meetings, bringing the Brazilian companies of the HVAC-R sector and the main distributors, importers and engineering companies of other countries close together in order to optimize new businesses and commercial relationships.
