

International Home + Housewares 2016

05/03/2016 - 08/03/2016

Chicago - Estados Unidos

The biggest global event specialized in home products. The action is part of the project's strategy to commercially develop the United States (priority market) and since the fair has a strong visit of Latin Americans, reinforce the presence in this region and prospect new businesses.

I WANT TO PARTICIPATE
