AHR Expo Fair Orlando 2016

25/01/2016 - 27/01/2016

Orlando - Estados Unidos

Considered the biggest and most important fair of the HVACR Sector in the United States, performed by ASHRAE – a representative entity of the sector, it has attracted, each year, a countless number of participant companies of the Program, having a worldwide range together with the participation of many countries. Another relevant aspect has been the great mass of potential buyers/distributors and importers from Latin American countries, contributing to important business contacts of Brazilian.

I WANT TO PARTICIPATE
