

States Training Workshop

25/04/2016 - 27/04/2016

Brasilia - Brasil

Training workshop of state entities in the promotion of foreign direct investments. The aim of this workshop is to introduce promotion techniques and to foster networking and international practices. Additionally, there will be the launching of the Passaporte para o Mundo (Passport to the World) platform, focused on the training of the state entities and the public call edicts to make the prospective investment mission.

I WANT TO PARTICIPATE
