

Rice Market & Technology Convention 2016

31/05/2016 - 02/06/2016

Miami - FL - Estados Unidos

Annual Rice Convention promoted by the American Association of Rice Producers, aiming at discussing the trade information and promotion flow within this sector in the Western Hemisphere. Offers a program with the participation of economists, scientists and globally renowned experts. Besides the plenary session, RMTC offers lectures, specific case studies and smaller discussion sessions concerning current subjects of interest to the sector.

I WANT TO PARTICIPATE
