

International Sanitary Image Project - Latin America - Ecuador

22/02/2016 - 26/02/2016

Quito - Equador

The Sanitary Image Project will consist of an event with sanitary authorities of Ecuador with the visit of a consultant and a member of the Sectorial Project, aiming at promoting the approximation among these agencies and facilitating the understanding among the countries. Besides that, presentations of these regulatory authorities are expected for foreign countries about the Brazilian regulatory system.
