FIHAV - International Havana Fair

31/10/2016 - 04/11/2016

Havana - Cuba

The 2016 edition of the event includes seminars on how to make business and invest in Cuba, guided visits to the fair and technical visits. Purpose: to make an action of international prospecting so that participant companies can prospect opportunities to export Brazilian products to Cuba, as well as to evaluate the possibility of investing in Cuba, which in a near future may consolidate itself as an important platform of facilitated access to Caribbean market.
