

Frieze Art Fair e London Frieze Masters

06/10/2016 - 09/10/2016

Londres - Reino Unido

As the United Kingdom's principal contemporary art fair, Frieze London is one of the most reputable art fairs in the world. Frieze London started in 2000 and only exhibits pieces produced this century. To exhibit earlier works, Frieze created the Frieze Masters art fair in 2012. Brazilian art galleries have participated in both art fairs and enjoyed the opportunity of coming into contact with a prestigious and diverse group of visitors.
