

CICLOPE FESTIVAL

03/11/2016 - 04/11/2016

Berlim - Alemanha

The Ciclope Festival is currently the only festival focused exclusively on advertising videos. Held annually in Berlin, it has become an important platform for discussing the main themes that permeate the video production industry. Also, because the festival is still relatively small, it provides an excellent opportunity for directors, creative professionals, artists, producers and clients to meet and network.
