

Airtec 2016

25/10/2016 - 27/10/2016

Munique - Alemanha

AIRTEC International Congress is designed to provide the most recent information about technology trends and supply chain optimization for the aeronautics segment. The event is in its 11th edition and involves the most important OEMs in Europe, the United States and Asia, as well as different levels of global suppliers. The event is focused on business meetings, which are scheduled using an easy-to-access online platform before and during the event.
