

Technology Arena

24/10/2016 - 27/10/2016

Rio Centro - RJ

Technology Arena is a series of themed presentations, discussions and exhibits promoted by the Brazilian Institute for Oil, Gas and Biofuels (IBP) as part of the enriching group of events happening alongside Rio Oil & Gas 2016. This is a new concept in themed events and its first edition will be held inside the largest oil and gas industry event in Latin America, the expo taking place on October 24 through 27 at Riocentro, in Rio de Janeiro. Admission is free.
