

International Security Conference - ISC WEST

03/04/2017 - 07/04/2017

Las Vegas - EUA

ISC West is the largest event in the U.S. for the security and cybersecurity industries, covering access control, biometrics, burglar alarms and surveillance, data security, fingerprint and face recognition technology, fire alarms, professional gas, smoke and metal detectors, public security, residential and commercial security equipment and system integration, among other topics. Over 1,000 exhibitors and security industry brands participate in the event, which draws over 30,000 visitors.
