

10º PROJETO COMPRADOR AUTOMECC

25/04/2017 - 29/04/2017

São Paulo - SP

The 10th edition of this Buyer Project will take place during Automec, the largest automotive trade show in Latin America and the main dissemination platform for Latin America's automotive aftermarket industry. The event gives distributors, retailers, wholesalers, retailers and auto shops the opportunity to meet directly with industry representatives, providing them with an ideal environment for networking and exchanging experiences through product demos and launches.
