

PROJETO COMPRADOR HOSPITALAR 2017

15/05/2017 - 19/05/2017

São Paulo - SP

The buyer project organizes networking sessions that will take place during the largest healthcare industry trade expo in Brazil. For this edition of the project, a smaller number of buyers will be invited to participate, all of which will be visited ahead of time during a prospecting mission that will organize the buyer project. The project will focus on target markets in Latin America.
