

Fórum de Investimentos Brasil 2017

30/05/2017 - 31/05/2017

São Paulo - SP

Brazil Investment Forum 2017 will promote new business and investment opportunities in Brazil. The event will bring together political, business, academic and media leaders, in an environment that fosters interaction and collaboration. During the forum, investors will have the chance to assess recent improvements in the country's business environment.
