

ROAD SHOW ÁFRICA DO SUL

06/11/2017 - 09/11/2017

Joanesburgo e Cidade do Cabo - África do Sul

The event is held after information is collected about the destination country and matchmaking is carried out for manufacturers, distributors, importers, and participating Brazilian companies. During the event, individual meetings are organized by participating companies and potential buyers, which are held in their own facilities, instead of the traditional networking sessions that usually take place in hotels.

I WANT TO PARTICIPATE
