

# Buyers Project BIG 2015

12/05/2015 - 14/05/2015

São Paulo - Brasil

BIG, Brazilian International Games Business Forum is the first and only B2B event of the Brazilian video game industry. The aim is to leverage new business opportunities in the international market. Besides international conferences, business roundtables with international buyers are held. In the 2015 edition, besides a night of pitching, with Brazilian games, the event will have an area reserved for the launching of national games and the Indie Mega Booth.
