

# APIMONDIA2015

15/09/2015 - 20/09/2015

Daejeon - Coréia do Sul

The world's leading fair for the beekeeping industry, Booth Brazil Let's Bee, will have individual spaces for exhibitors, a great opportunity to find new importers and further consolidate the relationship with customers and partners. In addition to participating as exhibitors, companies participate in competitions held in the context of the event in order to promote the country.
