

# VIV ASIA

13/03/2015 - 15/03/2015

Bangkok - Tailândia

VIV Asia is one of the largest fairs in the world in the dissemination of animal fats, industrial food processing equipment, livestock and equipment for farms, especially in matters that cover partially or totally the items in the meat supply chain. Besides having booths there will be special presentations of themes and products and a full program of seminars.
