

MIDEM 2015

05/06/2015 - 08/06/2015

Cannes - França

Midem is one of the largest platforms for network building of the music industry. In recent editions, the fair began to be renewed and is now also linked with music versus branding, new digital business platforms and synchronization with the audiovisual market. Apex-Brasil supports the participation of companies in international fairs that aim to promote and sell Brazilian products and services.
