

Asian TV Forum 2015

01/12/2015 - 04/12/2015

Marina Bay - Singapura

The performance of the Brazilian TV Producers is to prepare companies for presence and support for participation in the event, with support during accreditation, as well as initiatives to create business opportunities and visibility (such as participation in panels, previously scheduled meetings, consulting etc.). The event is organized by the same company that organized MIPCOM, the largest international TV fair.
