

Cannes Lions Festivals 2015

21/06/2015 - 27/06/2015

Cannes - França

International Creativity Festival is the main creativity platform for the communication industry. The festival brings together a diverse audience of the productive chain of the communications industry (clients, creative agencies, producers, directors, media professionals, journalists and opinion leaders in general). Besides the lectures that take place throughout the week, there are awards and especially networking opportunities at the event.
