

# Buyers Project SP and Plastech 2015

25/08/2015 - 28/08/2015

São Paulo e Caxias do Sul - Brasil

Buyers project consists in the visit of foreign investors to Brazil to participate in business meetings with Brazilian businessmen. This event will be focused on the packaging sector. It will be held in the cities of São Paulo and Caxias do Sul, the latter at the same time as the Plastech event which will take place in August 2015. There will be business roundtables and factory visits in both regions, as well as visits to the event mentioned above.
