

International Home + Housewares Show 2015

07/03/2015 - 10/03/2015

Chicago - Estados Unidos

HOUESWARES project was prioritized within the International Fair program to focus on the segment of household items, given the fact that this fair is an opportunity for companies in this segment to use as a communication channel to sensitize potential importers of both the local market as well as the focus markets: countries from North, Central and South America. In addition, buyers from other continents.

I WANT TO PARTICIPATE
