

Fenasucro 2015

25/08/2015 - 28/05/2015

Sertãozinho - SP

Fenasucro is the biggest event in technology and trade for mills and the sugarcane industry professionals. The main meeting of producers, traders and major equipment manufacturers, products and services for the agricultural industry of sugarcane. The event offers visitors the opportunity to explore the entire production chain: soil preparation, planting, cultivation, harvest, industrialization, mechanization, among others.
