

Bio International Convention 2017

17/06/2017 - 22/06/2017

Chicago - Estados Unidos

The BIO International Convention is the world's largest and most prestigious biotechnology event, drawing industry leaders from over 66 countries. It's a business platform where participants can meet with potential business partners, find new contacts, learn about the industry's latest trends and network with players from one of the world's largest industries.

I WANT TO PARTICIPATE

PARTNERS:

ABIQUIF-2015-2016
