

AVESUI AMÉRICA LATINA 2017

25/04/2017 - 27/04/2017

Florianópolis - SC

AVESUI brings together entrepreneurs, farmers, researchers, zootechnology and veterinary students, and opinion makers who see the event as a place to discuss the main issues pertaining to the intensive production of poultry, eggs and pork. Participants include manufacturers of pet food, machinery and equipment, and palatability agents, as well as raw materials and tallow suppliers, meat packing plants, service providers and others.
