

SCAE WORLD OF COFFEE - BUDAPEST

13/06/2017 - 15/06/2017

Budapeste - Hungria

As the place where coffee was first served as a drink, Europe is responsible for its propagation in the West and undoubtedly has one of the most well-established and advanced coffee consumption cultures in the world. As a result, Europe has the highest per capita coffee consumption in the world.

I WANT TO PARTICIPATE
