

SEPTEMBER HONG KONG JEWELLERY & GEM FAIR

13/09/2017 - 17/09/2017

Hong Kong - China

Just like the June Hong Kong Jewellery & Gem Fair, the September Hong Kong Jewellery & Gem Fair is a benchmark trade fair for Asia's gem and jewelry industry. The event hosts the largest Brazilian pavilion, which features 35 exhibiting companies. Recently, a Brazilian jewelry company participated in the event for the first time and had excellent results. It is an important event, as it is a great means of showcasing cut gems and jewelry on the continental Chinese and Asian markets.
