

CONGRESSO COLAMIQC

15/05/2017 - 17/05/2017

Cancun - México

The 2017 edition of this event will be held in May in Mexico City. The theme for the event, which focuses on the cosmetic chemicals industry, will be "a date with innovation, inspiration and beauty." The schedule includes academic and technical business conferences on new trends, as well as regulatory and commercial technologies and strategies. The congress will also include educational forums to help cosmetics industry professionals grow professionally.
