

IFFA Fair 2016

07/05/2016 - 12/05/2016

Frankfurt - Alemanha

It's the main international fair of processing, packaging and sales of the meat industry. It's been an international platform for the meat-processing industry and the most important forum of the world regarding investments decisions since 1949. Thanks to a great depth and range of the amount of products exhibited, as well as the exceptionally high number of exhibitors and international visitors, the IFFA convince us of its significant position in the sector every three years.
